REPORT.

The Committee present the Accounts for the year ended 31st December, 1928, shewing a surplus of £98 4s. 2d. on Ordinary Income and Expenditure Account. Legacies were also received amounting to £1,023 15s. 10d.

Pound Days were held in December, when £20 was received, together with 1,850 lbs. of various articles of the approximate value of £42.

The Committee are very grateful to the "Oswestra" Whist and the Carnival Committees and other friends for the amounts received during the year and for the many gifts sent to the Hospital, which have been acknowledged in the "Oswestry Advertizer", through the courtesy of the Editor.

The number of In-patients has been 388 with an average stay of 16 days each. 273 operations were performed and 738 Radiographs taken.

The number of District Patients visited in Oswestry by the Hospital Nurse, free of charge, has been 135, with an average of 32 visits each.

The number of Casualty Patients treated at the Hospital, free of charge, has been 419, with an average of 12 dressings each.

The Committee desire to express their thanks to the Medical Officers and to Mr. T. H. Ellis (Assistant Radiographer), who have so generously given their services gratuitously, and to the Matron and Nurses for their unfailing care and attention bestowed on the patients.
